L'écran couleur 5,6 " le plus compact du marché spécialement conçu pour les cabines les plus exigües. Il peut être facilement installé dans des endroits qui ne peuvent pas accueillir d'écrans plus larges. Au format 4:3 il transmet des images nettes et sans distorsion.

Allié à une caméra compacte au boîtier aluminium robuste et résistant aux intempéries et conditions les plus sévères, ce kit sera votre co-pilote pour sécuriser les zones arrières ou latérales lors des manoeuvres délicates.

Fort de notre expérience en système de caméra embarquée. Afhyrat a fait le choix de primer la qualité et la sécurité en choisissant la collaboration avec le fabricant de pointe Allemand, MOTEC pour vous fournir un produit de haute qualité indispensable à la sécurité de vos opérateurs.
